

**Girl's Night In** is a series of educational and enrichment workshops for young women, ages 15-18, created by The Women's Connection. The workshops address important issues relevant to the growth and development of young girls and help them to make healthy life choices. Girls will learn through role-plays, writing, poetry, personal story-telling, group activities and discussions, and mentoring by volunteers.

The program is held at  
The Learning Center  
4022 Glenway Ave.  
METRO BUS #33
